# **HUSKY**® The Toughest Name In Tools®

The Husky name was first registered back in 1924 for use on U.S. made quality Mechanics Tools. Now, over 75 years later, the name stands for a new line of professional-quality wrenches, sockets, ratchets and accessories...some of the most reliable, most durable, most versatile and functional tools on the market - at prices you can afford. Husky Tools are made to exact standards in state of the art manufacturing plants in

Dallas, Texas. These factories are considered by many to be the most efficient tool making facilities anywhere in the world.

Throughout this catalog, you will see a wide selection of quality mechanics tools so tough, they are sure to please any professional. Made from select steel to resist brittleness, they are heat-treated, oil quenched and tempered.

**All Husky Mechanics Tools are Guaranteed Forever by The Home Depot Worldwide.**

**Available Exclusively At The Home Depot**

for uniform hardness and exceptional wear resistance. The nickel chrome plating resists corrosion and rust. The torque strength of Husky ratchets, sockets, wrenches, and accessories meets or exceeds Federal ANSI Specifications. Husky Tool Storage is also of exceptional quality. Manufactured from heavy duty gauge steel, Husky offers Tool Storage for any job - Portable Hand Boxes,

Chests/Cabinets, Pro Chests/Cabinets, Pro Ball Bearing Chests/Cabinets and Heavy Duty Pro Chests and Cabinets. All boxes feature mar resistant, baked enamel finishes for exceptional appearance and durability.

**If Any Problems Arise, Simply Return the Tool to Any Home Depot Store for a Free Replacement.**

## •CHESTS AND CABINETS•

- All welded steel construction for strength and durability. Full width piano hinges on all chests for added support.
- All drawers are full extension with full width pulls for easy access to tools and one handed operation.
- State of the art electoro-deposition or powder coat painting processes for total coverage inside and out for corrosion protection and exceptional appearance.
- Rear locking mechanism on chests allows access to all drawers even when the lid is closed.
- Cabinets are equipped with high quality casters with foot activated brakes on the swivels.
- Exposed edges hemmed for greater strength and safety
- Most chests and cabinets are interchangeable.
- Heavy Duty Pro and Pro series chests includes lid braces, magazine racks, bolt on side handles and metal tote trays for top quality performance.
- Heavy Duty Pro series chests/cabinets feature ball bearing slides on all full width drawers for smooth operation even with heavy loads.

- 24"Wx16"D, 360 sq. inch surface
  - Fits on the top of any 18" deep drawer
- Model No. 92-999HY Stock No. 887-892

### 1/4" Drive Socket Loc'R™ and Portable Socket Holder

- Organize Sockets
  - Portable with 12 posts
  - Just load and lock
  - Once locked, sockets are securely attached
- Model No. 36125 Stock No. 507-542

### 3/8" Drive Socket Loc'R™ and Portable Socket Holder

- Organize Sockets
  - Portable with 12 posts
  - Just load and lock
  - Once locked, sockets are securely attached
- Model No. 36138 Stock No. 507-569

### 1/2" Drive Socket Loc'R™ and Portable Socket Holder

- Organize Sockets
  - Portable with 12 posts
  - Just load and lock
  - Once locked, sockets are securely attached
- Model No. 36150 Stock No. 507-575

### 5 Compartment Parts Tray

- 10 1/2"W x 3 1/2"D x 1 1/4"H
  - Organize and store small parts
  - Resists gasoline, oil and UV rays
  - Portable
- Model No. 30705 Stock No. 507-766

### 14 Compartment Parts Tray

- Organize loose parts in one location
  - Specially sized to fit Husky cabinet drawers
  - Resists gasoline, oil and UV rays
- Model No. 30714 Stock No. 507-792

### Rubber Mat

- 26"Wx17"D, fits Husky Std and Pro cabinets
  - Keeps cabinet top surface from being scratched by tools or chest
- Model No. 92-977HY Stock No. 887-925

### Security Box

- 8"Wx9"Dx1 1/4"H
  - Mounts in chest, cabinet, wall - almost anywhere
  - Secures valuables with its metal construction, cylinder lock/key
- Model No. 92-981HY Stock No. 887-682

### Heavy-duty Netted Cabinet Top Mat

- 23 1/4"W x 18"D
  - Helps prevent scratches and corrosion to cabinet top
  - Resists tearing, gasoline, oil and UV rays
  - Netted polyolefin allows moisture evaporation
- Model No. 34218 Stock No. 507-902

### Netted Drawer Liner

- 22 1/4"W x 90"L
  - Protects drawers and helps keep tools in place
  - Open mesh design does not trap moisture
  - Durable polyolefin resists tearing, gasoline, oil and UV rays
  - Lines up to five 15 1/4" deep or eight 11" deep drawers
- Model No. 34290 Stock No. 507-835

### Foam Drawer Liner

- 22 1/4"W x 90" Roll
  - Helps prevent cargo from sliding
  - Helps cushion cargo and protect truck beds from damage
  - Easily cut with utility knife or scissors
  - Durable polyolefin resists tearing, gasoline, oil and UV rays
  - Lines up to five 15 1/4" deep or eight 11" deep drawers
- Model No. 34590 Stock No. 507-874

### Portable Truck Bed Liner

- 48"W x 96" Roll
  - Protects drawers and helps keep tools in place
  - Easily cut with utility knife or scissors
  - Strong polyolefin mesh resists tearing, gasoline, oil and UV rays
  - Lines up to five 15 1/4" deep or eight 11" deep drawers

**Available Exclusively At The Home Depot**

**90338 - 338 pc.**

**90006 - 254 pc.**

## Mechanics Tool Sets

All Husky sockets and wrenches (box end side of any wrench) feature the Husky drive advantage. Husky drive is the unique radius design of a socket or wrench that allows contact with the flat sides of a fastener and not the points or tips. This feature reduces the rounding of fasteners and the chance of slippage.

Other advantages include:

- Increased torque capacity
- Increased safety
- Reduced wear of fastener

### 338 Pc. Mechanics Tool Set Includes:

- (54) 1/4" dr sockets
- (5) 1/2" drive tools (1-ratchet)
- (101) 3/8" dr sockets

## Full Polish Combination Wrenches

- Professional quality performance
- Forged from tough molybdenum alloy steel
- "High polish" chrome plated finish for a lustrous appearance and resistance to rust and corrosion
- Easy to clean surface
- Longer length for easy grip and higher torque use
- "Husky Drive" design on the box end for better gripping strength
- Size stamped on both the wrench body and open end for easy identification
- Full range of standard and metric sizes
- Available sets include:  
Two 15-piece sets with a vinyl pouch and two 10-piece sets in a convenient carrying rack
